

Analytic Consultant – Health Plan

The Thomson Corporation is a global leader in providing essential electronic workflow solutions to business and professional customers. With operational headquarters in Stamford, Conn., Thomson provides value-added information, software tools and applications to more than 20 million users in the fields of law, tax, accounting, financial services, scientific research and healthcare. The corporation's common shares are listed on the New York and Toronto stock exchanges (NYSE: TOC; TSX: TOC).

Responsibilities

- Provide analytic consulting support as part of team that delivers healthcare information and consulting services to healthcare purchasers.
- Design and execute analytic methodologies and make recommendations to support client actions and decision-making.
- Deliver projects on time and within budget.
- Work closely with other team members to support both database construction and/or analytic activities, including the development of test plans and data quality resolution strategies
- Instruct clients on database structure, analytic methodologies, data quality, documentation, and software applications.

Qualifications

- Bachelor's degree requiring strong quantitative skills.
- 3-5 years work experience in the healthcare industry; must have experience in analyzing healthcare cost, utilization, and quality.
- Excellent communication skills, both written and oral.
- Proven time/task management skills.
- Strong PC skills with experience in Microsoft Office.
- Willingness to travel.

Thomson Culture Statement

Our employees embrace a number of commonly shared values - collaboration, accountability, customer focus, a bias toward action and results, appreciation and respect for diversity, entrepreneurial spirit and, at all times, the highest ethical standards. These values represent the behavior each employee is expected to exhibit in their role. In our

view, fostering a culture that embodies these values will lead to success and growth for our employees and our business.

The Thomson Corporation is proud to be an Equal Employment Opportunity/Affirmative Action Employer.
