

Here is an opportunity for temporary paid jobs staffing a Flu Hotline. The opportunity is through SSM HealthCare and they are hiring now for a start in mid-October. The link to the job application is at the bottom of the message. There are part time and full time positions available, covering around the clock. The project will operate for 6 months.

Note that the job description does not say FLU Hotline, but just ignore this. The "Poison Information Provider" category was a preexisting category that came close to what they wanted. Public Health students will be preferred applicants over others.
