

## Position Announcement

Job Title: Research Fellow  
Organization: Centers for Disease Control and Prevention (CDC)  
Posted: 9/30/2009  
Type: Full-Time  
Classification: Health Communication  
Industry: Federal Government  
Number of Openings: 1  
Location: Atlanta, GA, USA  
Compensation: annual stipend depending on background and experience

**Position Description:** Successful candidates will participate in conducting systematic reviews related to community-wide health promotion and disease prevention interventions. Specific skills would include the use of scientific methods to identify, screen, appraise, and analyze the literature on evidence available for these interventions. These candidates will participate in the communication of the results of these reviews and other related reviews in diverse formats to diverse audiences.

**Qualifications:** Requirements: Candidates should have obtained, within the last 5 years, a doctoral or master's degree in public health, psychology, or a related discipline. Experience in evaluating study design and, quality of implementation and in evidence-based research methods are also desired. Persons with familiarity in the processes of systematic reviews, critical assessment of scientific literature and/or program evaluation are ideal candidates for this position. Excellent oral and written communication skills, interpersonal skills, time management and organizational skills are all essential.

Desired Starting Date: 12/1/2009

Contact Name: Ms. Tasha Powell  
Contact Location: P.O. Box 117  
Mail Stop 36  
Oak Ridge TN 37831  
Contact Phone: 865 574 3911  
Contact Fax: 865 241 5219  
Contact Email: [tasha.powell@orau.org](mailto:tasha.powell@orau.org)

Web Address: <http://www.orau.gov/cdc>

**How to Apply:** The Research Participation for CDC is administered by the Oak Ridge Institute for Science and Education. To be considered, send a resume/CV, professional references, and writing samples to Tasha Powell via email or via fax (see above). Please reference project **CDC-NCHM-2009-0013**. Additional Information: the appointment is through September 30th, 2010 and may be renewed upon recommendation of CDC, based on project needs and priorities and is subject to availability of funds. The participant will receive an annual stipend depending on educational level, work experiences and complexity of the project. The participant must show proof of health and medical insurance. Participants do not become employees of CDC or the program administrator and there are no fringe benefits paid.

All inquiries about the fellowship(s) should be directed to Tasha Powell: [tasha.powell@orau.org](mailto:tasha.powell@orau.org) or 865 574 3911.

Applications are due by **Wednesday, October 16 2009**.
